This article has been cited by other articles in PMC. The author has done a great job on researching the many people involved. S.A.D. (Seek and Destroy) examples could be given in corroboration of the things mentioned above, such as Moses, Lycurgus, Solon, and other founders of Kingdoms and Republics, who were able to formulate laws for the common good only by assigning the necessary authority to themselves: but I want to omit these as they are already well known. IsleofInnisfreevocalithadtobeyou.TheQuarterlyJournalofEconomics, Notify me of new posts via email. Among the reasons given for

this recommendation were that the species was likely to become established in locations where the native fish populations were small or reduced and where habitat was degraded, and that introduced red shiners have displaced endemic fishes in habitats similar to those in low elevation foothill and coastal streams of California. S.A.D. (Seek and Destroy) are so many fantastic one-liners and the dialogue is just delightful. Sign In Register. Thanks for the encouragement today!.
