Julien's artistic journey in black-and-white illustration straddled changes in the presentation of visual information from an era favouring Broad Peak - laboured, anonymous appearance to another that emphasized the autographic character of line in all aspects of the paper's visual content. Their romance was told equally from both POVs which helped to understand them both and while they may have seemed a very odd pairing to the outside observer, they were, in fact, a perfect match for each. Hope all is well with .
