Summary What really matters. This review has been hidden because it contains spoilers.

## **Savant and Sorcerer (Exalted RPG)**

The most common sentence of the colonial era was a fine or a whipping but the stocks were another common punishment—so much so that most colonies, like Virginia, hastened to build these before either the courthouse or the jail.

## **Dead Souls**

We stayed with Brigitte for one and a half month, and we had a splendid time along with all the people of the house, as well as all the other WorkAway'ers that we met.

## **The Sea-Wolf: By Jack London - Illustrated**

With each new Film: A. Alberdi claimed that the much needed social transformation could take place through the interaction of the local population with northern European immigrants who would bring with them the habits of order, discipline, and industry that were necessary for economic progress and republican citizenship.
